This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject English Language and Literature Studies - Other, grade: 2,7, University of Siegen, course: Teaching English: Methods And Approaches, language: English, abstract: In my term paper I will try to investigate a unit of an English course book for German learners of English as their second language. For a better entrance to my topic I will also involve the teacher's manual. It includes information about new vocabulary, materials and methods. Furthermore it offers...
