Brand New Book ***** Print on Demand *****.Grace to Escape is a new self-help book for those involved in domestic violence. Beside the self-help portion of the book, I share my compelling story how with God's help I found a way of escape for me and my small children. We also suffered from a 10-year custody battle but with God's grace, I obtained full custody. I teach my readers it is not about the mistakes you have made but rather that God will always make a way of escape. Domestic violence is at an all-time high for both men and women. Statistics reveal that hundreds of thousands each year face the pain and agony that result from domestic violence and abuse. And in the majority of those cases, the helpless victims never find a way out. I explain how you too, can find a way to escape!.
