Arrow Books Apr 2013, 2013. Taschenbuch. Book Condition: Neu. 199x128x20 mm. Neuware - A collection of six stories and a novella, **Civilwarland in Bad Decline** introduces an astonishing new voice in American fiction. George Saunders' vision of America's near future is as black and funny as you can get. He takes us on a trip to the shopping malls and theme parks and environmental hazards that lie just around the chronological corner, introducing us to gang of misfits and losers struggling to survive in an increasingly haywire world. Saunders' dialogue is superb, his plots marvellously bizarre: he is an original and uniquely American voice who has since become one of the most important writers of his generation. 192 pp. Englisch.
