*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

What is so striking about this book is the amazing way the author uses poetry to unveil the beautiful relationship between God and his children. This book not only makes Gods abundant love nearer to the reader but the poetic approach brings the reader into Gods loving arms. What drew me to this book was the title. It is the loveliest title I have ever seen. -Remi Ajakah Monrovia, Liberia These poems are simply amazing!
